

FISCAL NOTE

HB 1298

March 12, 2007

SUMMARY OF BILL: Requires applicants for a motorcycle operator license to successfully complete a motorcycle education safety course.

ESTIMATED FISCAL IMPACT:

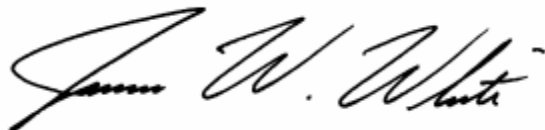

State Expenditures – Net impact – Not Significant

Assumptions:

- Applicants who present a certificate of completion from a motorcycle education safety course do not have to take the Department of Safety's knowledge and skills test to receive a license.
- The number of motorcycle knowledge and skills tests given on an annual basis would be reduced by approximately 2,800.
- Any decrease in state expenditures as a result of offering fewer tests will be not significant.
- Any increase in state expenditures to verify the certificate of completion documents will be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a larger, more prominent script than the last name "White".
